# BEVERAGE OPTIONS

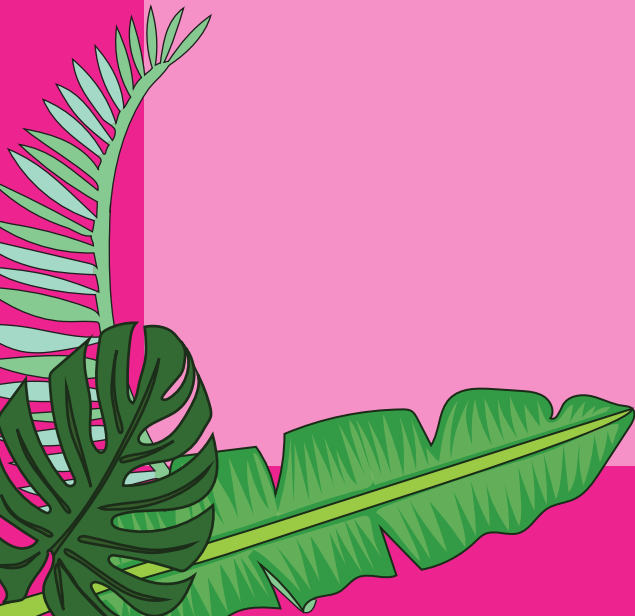

As we are flexible with our beverage options, it's best to talk to our Events Manager to discuss what you are looking for. Our experienced team can help you customise the perfect drinks package for your next event to suit your budget & style.

## Bar Tab

Our most popular option, you can limit or alter the drinks available to your guests (we provide personalised menus for your group) or have an open tab. Common set menus include beer, wine and spirits or cocktails only on the tab and guests to pay for any other drinks.

## Subsidised Drinks

Beers, wines, spirits and cocktails can all be subsidised. For example; if you subsidise a \$9 drink, you pay \$5 which goes onto a tab and the guest pays the remaining \$4. Subsidised prices can be negotiated.
